CEAIE – CRCC ASIA STUDY & INTERNSHIP PROGRAM

PROFESSIONAL DEVELOPMENT PROGRAMS FOR ENHANCED EMPLOYABILITY

APPLY TODAY | www.crccasia.com | internships@crccasia.com

5 KEY LEARNING OBJECTIVES

- EMPLOYABILITY
- CULTURAL AGILITY
- HOST COUNTRY KNOWLEDGE
- SECTOR SPECIFIC KNOWLEDGE
- GLOBAL CONNECTIONS

" I had a fantastic experience on CRCC Asia's China Internship Program. I recently received three job offers from Asurion, Amazon and Mott MacDonald - I can safely say that I could not have secured these without my Chinese experience - speaking specifically about the challenges, culture and the sort of work I was doing in my internship."

Treasa Harkin, Beijing

INTRODUCTION

CEAIE & CRCC Asia Partnership

By joining our new Study + Internship program in China, participants will be able to not only experience the exciting and China's fast paced business culture but also to life as a student at one of China's top universities.

The partnership brings together CRCC Asia's network of over 600 active host companies, combined with CEAIE's partnership with over 800+ Chinese universities, to provide participants a unique opportunity to experience all aspects of Chinese culture, academics and business.
