

## Application for enrolment in HONOURS in Political Science and International Studies

This is a restricted entry program and requires prior approval from the School. The program allows students of exceptional ability to engage in advanced research-related course work and the development of a research thesis.

### To be eligible for consideration applicants must have:

- completed all the required units of undergraduate program.
- completed a Major in Political Science, Peace and Conflict Studies, or International Relations
- a minimum **GPA of 5.5** in their Political Science, Peace and Conflict Studies, or International Relations major
- written a 500-700 word research proposal that is submitted with this application

### Application Process

The completed form and your research proposal must be sent to [polsis@uq.edu.au](mailto:polsis@uq.edu.au)

- This form must be submitted by **21 January**. (Please note there is no mid-year intake for Honours in POLSIS)
- Applications are assessed, students will be allocated a supervisor, and successful candidates will be notified by **28 January**
- Notification will be via email to your student account
- **NB: Successful admission to the program is provisional on the School of Political Science and International Studies being able to allocate you appropriate supervision. In years of high demand this cannot always be guaranteed.**
- **Please also note that you may be allocated a supervisor other than those you have indicated below.**

UQ Student Number (if continuing student)	Proposed Sem/Year of Enrolment
First Name	Family Name
UQ Student Email Address	Phone
Institution and Program of completed study	Semester and Year of First Enrolment
Program GPA (Must be at least 5.5)	Number of POLS Courses Completed
Suggested supervisor (first preference)	Suggested supervisor (second preference)

**Please attach a 500-700 word research proposal outlining your research topic. This document should explain the background to the topic, preliminary research questions, project objectives and proposed methodology. Applications without a research proposal will not be considered**
